 President, MJMI

Shalom my friends,

As promised this is the third and last newsletter that will complete the Summer Israel trip I and the team went on.

It is with great joy that I bring you greetings from all of us at MJMI (Messianic Jewish Movement International) in both the U.S. and Israel. Our friends in Israel wanted me to express to you how much they appreciate your generosity. These friends are seeing Adonai (God our Father) do mighty things through them, and want you to know that your faithfulness is bearing much fruit! They think of you often and remember you in their prayers.

In the Land

Last time I wrote to you, I told how I arrived in Israel 5 days before the rest of the ministry team that joined me on this trip. The team consisted of Dennis (My Pastor), David and his wife Marietta (also from the congregation I attend in Phoenix, AZ), and Andrew (a great brother and associate from Northern, Ireland). The team

While in Israel, I had the opportunity to spend time with Herzl, while he was working as a tour guide (left). Herzl was the first evangelist that MJMI helped to support. Just three weeks ago, he had the blessing of being married to Dana (photo above). Mazel Tov!

The Season of Our Rejoicing

The “High Holy Days” (Rosh Hashanah and Yom Kippur) have just past, and the feast of Sukkot (Tabernacles, or Booths) is upon us. This feast is also known as “The Season of Our Rejoicing,” as Jewish people throughout the world celebrate God’s provision at the end of the harvest season. This year, let us pray that the Lord will open the eyes of His people to see Yeshua, their Messiah—who alone can provide for all their needs!

stayed for 10 days, and as you will see, we had the honor of speaking and ministering at many of the congregations in Israel. After the 10 days, I stayed on another 3. All together, I was in Eretz Yisrael just under 3 weeks.

Following the direction of The Ruach H a K o d e s h (Holy Spirit), I

started the trip in the Tel Aviv and Ashdod, Israel areas. I had evangelism opportunities and visited good friends, including two Pastors and

one evangelist that MJMI partially supports. It is so great to stay in the homes of these sold-out-to-Yeshua, totally committed friends that I see on each of my trips. Opportunities to encourage, build up, and hear the great progress that is being made from our associates in Israel (half way around the world) is always my favorite part of each Israel trip.

The team had ministry opportunities at Messianic Jewish Congregations in Jaffa, Haifa, Jerusalem and Ashdod. (If for some reason you did not receive the June/July and August/September newsletters telling about our ministry times, or would like another copy, please call, e-mail, or let us know using the reply card.)

More Times of Ministry

Next, I finally hooked up with Herzl (the first evangelist we as MJMI gave some support to). See picture of Herzl when he was working as a tour guide, and also see the picture of Herzl and his wife which happened only 3 weeks ago. Herzl’s gift of sharing Yeshua is very strong. Adonai uses

people to Himself!

My friends, the task Adonai has placed before us is very great, and we cannot accomplish anything without your partnership. Please take a moment right now, to ask Him how He wants you to be involved with this work. Maybe you can start giving today for the first time. Perhaps you can increase or double what you have already been faithfully giving. You may have even been blessed

with enough resources to send \$500—just the amount needed to bless an Israeli **MJMI** ministry friend for an entire month. Every gift, no matter how large or small, is a great blessing to this ministry.

I am excited about the future, and I look forward with great expectation to what Adonai will do among His people. He is surely moving, and I am thankful to be a part of His plan. As we continue to work together, I pray that we will soon see the day when all Israel cries out, "Blessed is He who comes in the Name of the Lord!"

at work in the fields. These men and women rely on you, the partners of **MJMI**, to help support them both financially and in prayer. Through your generous gifts, these friends are able to spend time building relationships and sharing the Good News of Yeshua with their Jewish brothers and sisters. Adonai is using our **MJMI** ministry friends to gather many Jewish

him often and mightily to bring those that He has chosen to know Him.

The Harvest Continues

The harvest is continuing, and our ministry friends are hard

The next ministry time happened in Eric's house congregation in The Tiberias area of the Galilee. To say the house was overflowing would be an understatement. The team ministered after Carolyn led worship. The Spirit of Adonai was very strongly present the entire time we were there. What a glorious time.

I dropped the team off at the airport on June 1st and changed to a
