Jewish Believers and Christians  
 working together since 1963

Nathan L. Jacobus  
 President, MJMI

Shalom my friends,

Once again, I am so full of joy to bring you greetings, blessings and thanks, from all of us at MJMI (Messianic Jewish Movement International). The conversations with many of our friends (workers) in Israel have been so encouraging lately. I bring you special greetings from them and appreciation from them for your partnership and support. As you will read below, fresh from these friends in Israel, The Lord is doing a mighty work there.

Also, I want to let you know, that although this is the June and July newsletter, I am so excited, that I will be leaving for Israel on July 2nd, and staying until August 11th. I will talk about this much more in this letter, however, for right now, know that I will be bringing back a great deal of fresh news and pictures of what our God is doing in Israel, that I will be writing about in the August/September Newsletter. Thanks for your prayers for this trip.

## The Season Is Changing

After, the two Moadim, appointed times, that I spoke about in the last letter, came the day of Pentecost (Shavuot) on May 19th. After celebrating this time, as told to us in Leviticus 23, comes a time, we call summer. Summer is a season that, in the U.S. we think about our children out of

school, vacations, trips, and of course in a more spiritual way, a time of coming personally closer to The Lord in our relationship with Him. This is the same in Israel.

I want to tell you, with great excitement in my heart about some things our Lord has been showing me personally and for MJMI. Our God wants us to be continually in His presence, because He loves us so much, He just wants to be with us. I encourage you, to purposefully, seek Him, and give Him no peace, until you hear from Him. This is what He wants. He wants to show you His will

**During my last trip to Israel, I stood on a hillside overlooking the city of Jerusalem, both the old and new, and took this photo. Our MJMI workers are living and ministering in the Land of Israel, reaching many Jewish people with the Good News of Yeshua. Please continue to keep them in your prayers, as they are on the forefront of a great spiritual battle every day!**

for your life. How to walk out the life, He has planned for each and every one of us. His will, His voice, His heart for us right now. He did not call us to tell others about Yeshua (Jesus), so they might receive salvation (only). His commission to us, is to go and make disciples.

Yes, a person has to be a believer, first, but it does not stop there. God wants each and every one of us to believe, and then to walk out every one of our days in His discipleship “program”. Many times there are men

here on earth, and resources that He will use to help us be discipled, like our workers in Israel do. They do not stop with what we know as evangelism. They help the new believer go on to being a disciple by pointing them to God, being in relationship with them, having them in small groups that will help, and many of them in Messianic Congregations. The thing that we must remember is that we keep growing in relationship with God from the day we first are brought into His Kingdom (through personal relationship with Jesus-Yeshua) through a time of maturity and then right through eternity.

Our Lord wants each and every one of us to be a mature disciple. If you do not feel that is happening with you, seek Him. Confess this to Him, and ask Him for help. He always answers these type of prayers from His children.

## Word from our Israel Workers

Recently, Aviel (one of our workers in Israel) sent me a message about the thing God is doing through him in the Land. He wrote:

*“I’m very happy to write this letter to you. Everything is good here, and God is doing miracles! Not too long ago, Eitan and I did a trip to Jerusalem with a group of forty non-believers who wanted to see places where Jesus walked. In every place we went, Eitan and I preached the gospel to them, and we saw His power and presence—and for the first time we knew that they really heard the good news of our Lord. At the end of the trip, we asked them if anyone want to receive Him into*

(...continued on back)

(Continued from front...)

his life, and we invited them to come to a conference later. As a result, seven of them came and accepted Yeshua as their Lord. Hallelujah!!! Also, a new elderly couple was invited to come to my Home group—and in my house, they accepted Yeshua as their Lord. Praise God!”

## Summer 2010 Israel Trip

My dear friends, I want to speak to you now about the purpose, motivation, goals and vision I have for this trip to Israel. When I come back, I will tell you (in the August/September MJMI newsletter) of how God worked in me and through me and with our Israeli brothers and sisters pertaining to these things. I am going to encourage these Evangelists and Disciples (fish cleaners). Also, to build more relationship with the Evangelists and Pastors that are part of MJMI at this time. Of course, as situations present themselves (set up by The Lord) I will, by the Holy Spirit speaking through me, evangelize some Israelis and others in Israel or on the plane at the same time as me, as He leads.

Another thing that I will be doing, is spreading and sharing three resources, that have impacted my life greatly, very recently—*Escape from Christendom*, *Crazy Love: Overwhelmed by a Relentless God*, and the *Luke 10 Manual*, to English

readers that are my friends in Israel.

Lastly, before I share a very personal goal, is that I also have a goal, as led by God, to find one more Evangelist that MJMI can help with partial support, to increase the Harvest by freeing up some of this person’s time from more secular work. As I have said, many times, you can not stop an evangelist from evangelizing, whether we support them or not, but we can help them to make time that is totally dedicated to this call on their life.

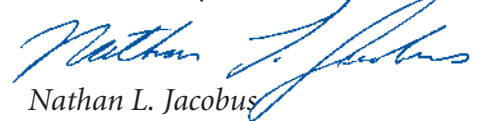

The personal goal, that I ask you

to pray for, as with all the others above, is to begin searching for a small apartment/house to purchase personally, that will also become the Israel headquarters for MJMI. I believe that by December 2011, this goal will be a reality. Details as to why that timing, are not important, however, your prayers are greatly coveted. It would be great if this would be able to be achieved sooner, however, I feel strongly that it will not be any later.

## Your Support Is Needed!

Without your support both in prayer and with finances, this ministry of MJMI could not continue. Please take some time with The Lord right now, asking Him to show you how He wants you to partner with MJMI. Your gifts, will touch the lives of Jewish people, and non Jewish people who do not yet know their Messiah. Please continue to support these efforts of evangelism in Israel. Our workers are in the fields (ripe for the Harvest), doing this work on a daily basis.

With all of my love in Yeshua,

Nathan L. Jacobus  
President, MJMI and Shalom, Inc. (the ministry of helping Jewish people make Aliyah from the U.S. to Israel)

**Not long ago, our worker, Aviel (photo left), took a group of about forty non-believers (photo below) on a tour of Jerusalem, showing them where Yeshua walked and explaining who He is. Above, Aviel is teaching the group from the Scriptures. As a result of the tour, seven people came to faith in Yeshua!**
