Shalom friends,
 Yeshua is the Messiah of Israel and the Savior of all the Nations! Hallelujah!

“All kings will bow down to Him and all nations will serve him.” Psalms 72:11

Seeing the Signs

The world is changing rapidly before us. The nationwide revolutions in the Arab world, the economic protests against injustice built into the system in Israel and the Occupy Wall Street agitation all have captured the headlines. A new generation is seeking answers to life’s biggest problems.

Greedy dictators and politicians rule, hunger is common, families are in turmoil and violence or war is a threat. Stale or dead religion has no answers, and false religions have no answers either. God has given us his answer, Yeshua (Jesus) the Messiah! This great global shaking is a sign of a great harvest of souls coming into the kingdom of God. This fresh ingathering I’m speaking of will include larger numbers of Jewish people here in the United States and in Israel. A great harvest season is near.

God sent Yeshua into the world in a similar situation. The Greco-Roman world government dominated Israel with harsh taxation, laws and idolatry, imposing dictatorship that barely tolerated what remained of Israel’s heritage. Many sects thrived and the religious hierarchy was plagued with corruption, greed and immorality. Those who walked with God in faith by the power of the Holy Spirit did so in the midst of a compromising people. Sounds familiar, doesn’t it?

Yeshua did not come to overthrow the Romans or the corrupt religious establishment of his time. He spoke about bringing them into the Kingdom of God. He expected His disciples to develop a heart to see what God wanted to do. This takes

revelation from God. He said, *“do you not say, there are still four months and then comes the harvest? Behold (Look!), I say to you, lift up your eyes and look at the fields, for they are already white (ripe) for harvest.”* John 4:35.

Our God expects us to see his purpose and what he is about to do in advance and be prepared! At this time, he has once again made ready the hearts of men to receive Yeshua (Jesus) the Messiah! God expects us to go out into the streets and invite them to receive life’s greatest treasure today, a new

is once again turning men’s hearts toward eternal things. Don’t be distracted by the lawlessness, the spectacle, or the violence. All of humanity yearns for a new life. Nothing will satisfy the longing of the human soul except peace with God! Our God has his servants ready in Israel, Egypt, Syria, and yes, Libya and even Iraq! The end result of all of the cries for justice will be grace for salvation in Yeshua! Most of you know that *“all Israel will be saved”* (at the end of the period known as Jacob’s trouble). But what does Scripture say about the nations? As an example, read Isaiah 19 to find out about the future of Egypt.

Some forty years ago, in the late 1960’s, a similar time of discontent and converging societal influences came about culminating in a harvest of young people. There was great social unrest as unpopular wars, racial injustice, corruption and a longing for freedom around the world from colonial government exploded. Dozens of new nations came into being. This global season of change led to what was known as the Jesus Movement. It was characterized by a hunger to know the meaning of life, to answer the hard questions and to make sense out of a hard, impersonal world.

For a brief period, tens of thousands of young people, many of them Jewish, were suddenly open to radical changes in lifestyle. Many of them were teenagers, college students and young adults, a new generation

of world-changers. Those changes were not all good, as we who lived through that time know so well. There was social protest, experimentation with Eastern religions, immoral lifestyles and more. Culture and traditions were greatly shaken. This was a worldwide social revolution with high-stakes implications for every nation.

Happy Hannukah!

We will soon be entering a wonderful time of year, full of celebration and rejoicing. Whether you are lighting the Hanukkah lights (beginning the evening of December 20 this year), or remembering the birth of Yeshua at Christmas, we pray that you will have a blessed and joyful holiday season! During this time, please pray that many Jewish people will come to know their Messiah, Yeshua, the Light of the World!

way of living now and eternal life through our Messiah Yeshua.

Time for the Harvest

This harvest is the next wave of God’s saving grace preparing us for the return of Yeshua the Messiah. While many people bemoan the dark conditions and difficult times, they fail to see what God is doing. He

God intervened in the midst of it all by sending an unprecedented outpouring of his Holy Spirit for salvation. The end result was that thousands of young Jews had come to know Yeshua as the Messiah, even as tens of thousands of their neighbors did. Some had personal visitations from heaven, while others received the good news from faithful believers and still more through the witness of friends or family who came to know Yeshua.

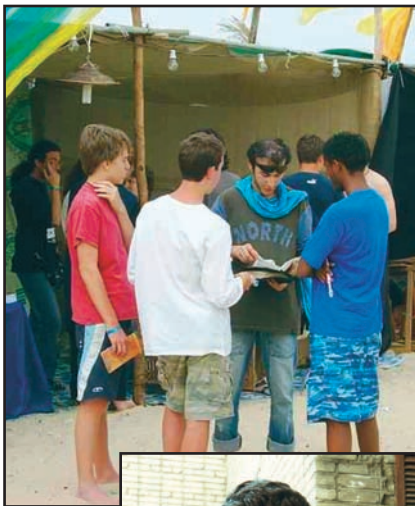

Preparation for the Harvest

The preparations we are engaged in at MJMI extend to all our activities.

Partnership and Speaking Engagements – We are partnering with UMJC, MJAA and Tikkun Congregations by offering to speak on evangelism as well as a whole range of biblical topics. We hope to increase our impact by partnering with Mission Organizations, as well as local and para-church ministries. If your Congregation, Church or Missions organization would like to host an MJMI event, please feel free to contact us at (800) 4-YESHUA.

Helping Proclaim the Good News Within Israel

– We are continuing to proclaim Yeshua in Israel with partners and workers all over the country, Jews and Arabs. Openness to the good news is increasing and more people are receiving Yeshua. John will be traveling to Israel for ministry from late December through mid-January, and we will be planning more trips to Israel and offering an opportunity for you to participate in an Evangelism Tour to Israel.

Your support helps fund...

Evangelism Through Community Service Projects

- Holocaust Survivors and the Elderly
- Feeding the Hungry (2 locations)
- At Risk Women and Children

Materials for Outreach, Education and Discipleship

- The Five Jewish Laws (modern update of a classic witnessing tool)
- Teaching Tools: Miracles Are For Today (Testimonies of Jewish Salvation Experiences)

Aliyah Highway – As Jewish residents in the Diaspora wish to immigrate to Israel (make aliyah), particularly believers, they need support in terms of housing, fellowship, potential employment opportunities, and strategic information on their rights and funding. We at MJMI are planning to engage this massive work to enable future Aliyah. Please consider making the Aliyah Highway a priority in your offerings and prayer time.

Evangelism Training Seminar – We are endeavoring to develop a new evangelism training seminar with a study guide geared for outreach here in the United States and the English-speaking diaspora.

With our focus on our beloved Israel as a nation, we often forget that there are as many, or even more, Jewish people living in our country as there are in Israel proper. This outstanding seminar

will inspire congregations nationwide to once again undertake deliberate efforts to win our Jewish people to Messiah in their cities. The course will cover a Jewish approach to the gospel, supernatural

called to participate in the restoration of Israel and the Church. Like the God-fearers

of the Book of Acts, they will cause Israel to be envious for her God. It is our commitment to encourage and empower leaders. Please contact John

Glueck at 913-908-9900, or Nathan Jacobus at (800) 493-7482.

Thank You for Your Support!
